

## Awnings & Canopies

This design guideline is written to the designer of record (DOR). This guideline is written to document UA standards of work, assist the designers in ensuring UA standards are incorporated into the contract documents and provide a resource to facilitate the design process. It is the designer of record's responsibility to coordinate the criteria set forth in design guideline and in conjunction with the manufacturer requirements and use the most stringent standard.

### General

1. Awnings and Canopies shall be standing seam, metal, black color, except where we are matching an existing awning. In this case, UA will grant a variance.
2. No fabric awnings are allowed.
